Chastity

I'm trying to stay a virgin! Really, I am! I know my parents want me to, but every time I get all wet and let my fingers get down my panties, all I can think about is what it's going to feel like to fuck for the very first time! I mean, when I get a couple of fingers or this awesome dildo my older sister gave me in my pussyhole, I go crazy! And when I stick one up my asshole, it sends me into an absolute frenzy! I know my dad doesn't want to know about any of it, and my mom thinks that I shouldn't give my cherry away easily, but with the way I'm feeling lately, I think pretty soon I'm gonna have a cock or two cumming in me!

With a body like that, I don't know how long Chastity will stay true to her name!

LESBO TRYOUTS!

Kelly Marie was head of the cheerleading squad and when we used to cheer together I couldn't help notice how perfectly hot her body was. She had great big boobs and a round ass, but nobody ever got anywhere with her and I never knew why, until I slept over at her house one night. It turns out that Kelly Marie was a lesbo, and though I'm totally in to guys, that night she tried pretty hard to convince me I should be one too.

I was in her parent's guestroom and already sleeping when she climbed in to bed with me. I shrieked and asked her what she was doing. "I just want to make you feel good," she said, and put her mouth on mine. When she kissed me it felt awesome, so I just let her carry on.

She slipped my nightshirt off and started caressing my breasts, kissing them and tugging at my nipples ever so gently with her teeth. My pussy was juicing up way before her slim fingers found their way between my legs, and I was a bit embarrassed when she said, "Oh, you're so wet." I told her that I wasn't a dyke but she just ignored me and then, oh my, I couldn't believe what she did next.

Kelly Marie put her head between my legs and dived into my muff. She sucked on my button and lapped up all my juices and I couldn't believe how freaking good it felt. I'd had guys eat my pussy before, but holy shit it had never been like that! I knotted my fingers in her red hair and pulled her closer in to me as I came off like never before.

She asked me if it was good and all I could say was 'Uh huh' as I lay there recovering. When I felt like I could breathe again I turned to her and looked at her beautiful titties and her hairy little beaver. "Do you want me to eat you?" I asked her, kind of afraid because I didn't know how. She just smiled so I went down there, sticking a finger inside her as I nibbled on her puffy lips.

I worked my finger in and out, twisting it around to find her sweet spot they way I did for myself at home when I really

needed release. I guess the same thing worked for her because soon I was swimming in her girl juices. Kelly Marie clenched her thighs around my hand and cried out as she came off. After I made her cum, she went back to bed and left me thinking 'what the fuck?' But I didn't mind, I actually quite enjoyed the experience, but I never stayed over there again. I didn't want any guy to think I was a lesbo!

SUPERMARKET SUCK-OFF!

When I first met Todd, there was no way I would have considered screwing him. I was still a virgin and he was the kind of guy that had worked his way through most of the sluts in town. He was totally hot but I knew better than to mess with a boy like him, or so I

thought, then I started working nights at the grocery store he worked at and was alone with him every night. He became impossible to resist.

It was a slow night and Todd and I were playing truth or dare. Todd started and I said truth, he asked if I'd ever sucked cock. I blushed and said no. Then he challenged me to dare him and I wanted to make him blush so I dared him to show me his dick.

Without hesitation Todd unzipped and pulled his long meaty tool out of his pants. I couldn't take my eyes off it, his cock was so much bigger than I thought it would be. When I finally looked up, I realized that he wasn't blushing whatsoever. He just had a great big grin on his face.

I was already feeling like a bad girl and I hadn't even done anything. When he asked me truth or dare, I knew that I was done for. "Dare," I said.

"I dare you to take off your clothes," he said. I was blushing so bad, but I did what he said. I slid my t-shirt over my head and stepped out of my jeans. I stood there in white panties and bra, my nipples like hard little pebbles straining against the cotton. I was feeling so hot, I could feel my pussy getting all slippery. "And the rest," Todd said.

"No, that has to be worth two dares," I told him. He laughed at me and stroked his cock, it grew harder and even bigger. I winced thinking about how that might feel inside of me.

"Well, how about we stop playing games and you come over here and put my dick in your mouth?" he said. I looked at him playing with it and really wanted to, it couldn't hurt could it?

"You won't tell anyone if I do, will you?" I asked him, walking over.

"No way."

I got down on my knees in front of him and put the head of his dick in my mouth. It tasted salty but sweet, and so warm in my mouth. I licked around the head like it was a Popsicle, and as Todd pushed it deeper in to my mouth I sucked on it. "That's good," he told me as he rhythmically pushed in and out, shallow at first but deeper all the time. I worked hard on it and I swear his schlong seemed to get bigger and bigger by the second!

His hands were on the back of my head as he fucked my mouth, I just kept licking and sucking while he grunted. His dick really started twitching then suddenly he came, filling my mouth with his salty cum. I swallowed; because I didn't know what else to do and boy did he like that. We started laughing, because we were feeling so tripped out then a customer came in to the store so Todd put his dick away and went and served him. That night was crazy, and I've got a feeling that things are going to get that way again real soon. At least I hope so!

Mirella

Poor Mirella! Since her tits got bigger, her friends have gotten dumber!

Every guy I know acts like a total weirdo around me. I think it's because since last summer, my tits have grown like, four sizes! Seriously! Senior year and my tits graduated to a way bigger cup size! Anyway, now all the guys I'm friends with can barely put together a coherent sentence when we're talking. I know they're just thinking of sucking on my tits, sticking their cocks in my hot wet cunny, and jizzing all over me! Well, let them think about it all they want. When I'm ready to give it up, I will! Until then, all my best girl parts are for me and me alone!

Sandra

Right after high school graduation, some bitch called me a totally stuck-up prude! It really hurt, 'cause, for one, she was right, and two, she was a real slutty cunt! So, to show her up, at least in my mind, I figured I wasn't going to college being a tight and innocent virgin! How fucking lame can you get, right? So, I started to masturbate like crazy! By the first week, I could get four fingers into my pussy with no problem! So, then I started to fingerfuck my asshole, and by two weeks, the same deal: four fingers crammed in, no sweat! By the end of the summer, I was stuffing my holes with everything I had and was totally ready for the onslaught of cock I was going to take at college! Hey, I guess I should thank that skanky twat, so, thanks, you fucking bitch!

This hole-
cramming queen

to stuff herself
real silly!

These
two were made
for each other!
Well, at least
their sex parts
were!

JAN + DUKE

I have to admit that my boyfriend is a serious asshole. He drinks a ton, he doesn't get along with anyone, and if you ask him to do anything, he just rolls his eyes. The one thing he's good at, though, is fucking the living shit out of me! The first time we did it, it lasted like, 45 minutes, and he ate my slit and asshole, fingered me 'til I came twice, and then proceeded to pop my cherry—both holes!—while only dropping one load himself! I mean, he's so fucking good at it that even though I can't stand him for more than 10 minutes, I know that at least when I spread my tight teen legs, my little pink hole is going to get a real good fucking!

Barbie, Mackenzie, Jerri, & Madison

This whole thing was totally a dare! I bet Jerri that if we could get Barbie and Madison over for a sleepover, we could totally get them to make out with each other! See, I knew that the two of them were way into each other. They were always texting each other and disappearing between classes and stuff, and one time, I totally caught them making out! Anyway, Jerri was all like, 'No way are they lesbos!' and I was like, 'Yeah, they are!', so we got them over to see what would happen. What I didn't expect was that Jerri and I were going to get all fucking horny and start making out with them, too! I never thought I'd say it, but pussy tastes awesome!

THE SUMMER I LOST MY CHERRY!

I'd just turned 18 and promised myself that this would be the last year I went on vacation with my parents. We always went to the same stupid place, Mooselake, and after 10 years of being bored shitless with nothing to do I was through with it. Turns out, this year the vacation didn't suck after all. In fact, it turned out to be pretty sweet.

The first night we were there, my parents bitched about how noisy the people were in the cabin across the ways. I thought 'Awesome, people who know how to party' and couldn't wait to meet them. The next day, I swung by their cabin to say hello, and boy was I surprised.

After I knocked, they took forever to come get the door, like they must have still been asleep. The door opened slowly and this totally hot red-headed woman stood there in a tiny white satin nightgown that clung to every curve on her awesome body. She had the kind of grown up body I dream of, I felt so flat chested and young next to her.

She gave me a funny smile and totally checked me out before calling back in to the house to tell whoever was still in there that I had been the one knocking. I kind of stammered "Hi", and explained who I was, and then I saw a guy emerge from one of the rooms zipping up his jeans.

"Well, come in, sugar," the guy said, and the woman stood back to let me in. Their cabin was still dark and smelled musky. "I'm Ted," he said, "And that's my wife Rachel." Ted pulled open the curtains and I could see him clearly for the first time. He was super hot for an old guy, muscular and wiry with a hairy chest. I was trying not to look, but there was a definite bulge in his pants, I realized that they must have been doing it when I knocked on the door.

"Is this your first time at the lake?" I asked, feeling dumb and not knowing what to say. Rachel was bent over in front of the fridge and I could see everything. She had red pubes too, but there was just a thin line of them around her puffy pink lips. I could feel myself getting really wet down there, but felt like WTF? I don't even like girls. Bad thoughts flashed through my head, but I was such a virgin I couldn't even properly imagine what it would be like to do it with either of these sexy people.

Rachel looked back over her shoulder, asked if I wanted a soda then said "Whoops," and pulled her nightgown down to cover her ass. She winked at me and I blushed, she knew that I'd been checking her out. I went so red.

Ted told me that it was their first time at the lake, and started asking me questions about myself. I answered, but was having difficulty thinking straight because of the way he was looking at me. He was devouring me with his eyes, and I felt naked. He was smiling, it seemed that he liked what he saw, as different as I was from Rachel.

I felt Rachel's cold hands on my shoulders, "You should come by tonight for some supper," she said, then went and sat next to Ted. I could see up her gown again, a little tuft of red hair at the top of her toned milky thighs. Ted slid his hand up her thigh, giving me an even better show.

"Sure," I stammered, getting up, figuring that if I didn't leave right now I was going to pass out because I was getting pretty hot and bothered, "What time?"

pushing against my ass. Ted's hands wrapped around my hips and he slid one finger straight up inside me. I was so wet, there was no resistance, even in the water. His finger probed deep inside me, they both kept kissing me and I came off for the second time that day.

Ted turned me around then put the finger he'd had in my pussy to his lips. "You want to bring me off now little one?" he said. All I could do was nod at him, and he took my hand and placed it on his hard dick under the water. With his hand over mine, I jerked him off slowly as he moaned and groaned, telling me what a hot little piece of ass I was.

Rachel said she was getting cold, and left us there. Ted kissed me then picked me up and carried me back to their cabin. Rachel was on a blanket in front of the fire, and beckoned me over. I sat next to her and she lay me down, kissed me again then moved her mouth down my body, trailing her tongue down my stomach and stopped just above my bush, "I'm going to eat your pussy now, sugar," she said.

Rachel looked me in the eyes as she licked and sucked at my cooch, flicking her tongue over my button and making me cry out. I was almost coming off again when she stopped, and told Ted that now I was ready for him.

"You sure you want to lose that cherry?" he asked.

"Uh huh," I said, biting my lip, eyes on his huge cock just bobbing there, a glistening tear on its purple head.

Ted knelt down between my thighs and held his dick at the entrance to my hole. I was throbbing down there, so ready to take it inside. I told him to do it, to take me.

He thrust in an inch, breaking in to my virgin hole, then slowly pushed it deeper inside as I gasped and clutched on to his butt. When he reached the

very top of me I exhaled, and felt more alive than ever before, so fucking awesome. It was like I finally understood what I was on the planet to do: fuck. I moved my hips as he slid in and out of me. I cursed loud, until Rachel's mouth was on top of mine and we kissed as her husband screwed me.

Ted pulled out to finish and shot his thick white goo all over my chest. Rachel eagerly lapped it off and cleaned my pussy up with her tongue, and then while I recovered from my first screw, I watched them fuck each other senseless. I don't know how many times I came off that night, or the rest of the vacation that I spent in their cabin. All I know is that I can't wait to go back to Mooselake next summer and see what else I can get up to there. 18

"Why don't you come by around eight?" she said, leaning back in to the sofa as Ted's hand climbed up her nightie.

I nodded and split. I felt like I couldn't even breathe properly until I was a good 20 feet away. I found a quiet spot in the trees and took off my shorts, I leaned against a tree and rubbed at my button, thinking about what they must be doing back at the cabin, picturing him fucking her, her sucking his dick. My pussy was so wet; I got myself off in seconds. I knew right then that if the opportunity came I would let Ted take my cherry. I was so horny and ready to become a real woman.

That night I couldn't wait for eight. I dressed in a white tank top that clung to my perky little titties and no bra. I wore short denim cut-offs and put on perfume and fruity lip-gloss. I knew I looked good.

They were expecting me and were totally friendly and just as flirty as they had been earlier. We ate barbeque and chatted, but the conversation turned quite dirty and they got me to confess that I was still a virgin.

"Really?" asked Rachel, "Do you want to be?"

"No!" I shouted, blushing once more.

"Well, we'll have to do something about that," Ted said, and Rachel just said "Oh Ted," like he'd just offered to teach me to drive or something. Then Ted suggested that we go skinny-dipping and that's when it got crazy.

Rachel stripped straight off and ran in to the water. Ted stood in front of me and unbuttoned his shorts, let them drop and stood there for a minute, letting me look at him before he ran after his wife. His dick was long and thick, thinking about having it inside of me, where nothing bigger than a finger had ever been before made me clench up inside. I wanted him to be my first so bad.

"Come on, cutie, don't be a square," Rachel called, so I stripped off and ran in to join them. We splashed around and then Rachel swam over to me and told me that she wanted to kiss me. I said, "I guess," and then we started making out. She was such an awesome kisser, and feeling her huge breasts rubbing against mine was so incredibly sexy.

Then I felt Ted behind me, kissing my neck, his hard dick

A photograph of a man and a woman in an intimate pose. The man, with dark hair and a beard, is in the background, looking down. The woman, with long blonde hair, is in the foreground, looking down and holding a large, realistic dildo in her mouth. She is wearing a green and white striped top. The background is dark and textured.

Bobby had been begging me to give up my cherry to him. At first, I was all against it, but once he started eating my slit, I couldn't help but break every rule I thought I would stick to! We'd never done anything except get to second base, and I grabbed his crotch a few times, but when I let him go down on me, it was like something clicked inside of me! Rule number one was sunk after I swallowed his cock, rule number two was erased after he crammed it in my pussy, and number three was way gone after I sucked his cum straight into my throat! I guess every rule, especially the sexual ones, is made to be broken!

This girl is like a super hero: mild-mannered by day; crazy sex fiend by night!

Every girl I know has already done it! I totally want to, too, but I'm so shy, I won't even go on a date. I know that this one guy in my chemistry class wants me, but I can't even look him in the eye! But, when I'm all alone with my dildo, I'm like a sex fiend! I can stick that thing in my mouth, pussy, and asshole—I really love it up my ass—without even thinking about it! I know it's weird, but I just have to get the courage to let this guy take me out and start fucking! Believe me, once I get into it I know I'm going to use every part of my body to make my man happy! What should I do?

It's time
for every
guy's
favorite
game!

Sue & Mike

Mike taught me this awesome game! It's called "Just The Tip" and he said I'm really good at it! See, he dares me to do stuff like take the tip of his cock in my mouth and see if I can just keep it there. Of course, I can't, because the second he gets his head in my mouth, I feel like I have to suck it! Then, he sticks his tip in my pussy, and I can't help but push my hot hole into his full length until it goes deeper and deeper inside me! The thing is, the more we play, the more I think he knows that I can't wait to have his meat inside me! Oh well, whatever! Next week he said he was going to play the tip game in my butt! I can't wait!

Nyea

This jerk-off junkie's got it real bad!

Look, I've had my boyfriend fuck me already and yeah, it was nice, but there's nothing like the feel of my own fingers! I love the way it feels when I slip my hands down my panties and caress my little shaved mound. I like the way my pussy starts to get all wet and mushy, calling to my fingers to get inside me right away! I love to tease

myself and go all slow down my slit, gently massaging my clit and circling my wet little hole right before I stick my fingers in, knuckle after knuckle! Then, when I really get going, I fingerbang myself like crazy until I cum all over my hands! The taste of my cunny is all over my fingers, waiting to be licked up by my hot little tongue. Hey, if anyone knows how to get me off, it's definitely me!
